Your money goes a long way with Aidlink.

If you are a PAYE taxpayer and you donate a total of 250 or more in any tax year, Aidlink can recover the tax at your marginal rate. For example: if your marginal rate is 40%, your €250 donation is actually worth €350 to Aidlink! Aidlink will write to you once a year requesting authorisation to recover this money. Corporate donors and self assessed persons can make their donation fully tax deductible by referencing the **Aidlink Charity Number: CHY9078**
